

QUALITY POLICY

DM Civil is a Perth-based civil contractor involved in medium to large-scale development projects throughout Western Australia. The primary activities of DM Civil include civil engineering contracting encompassing earthworks, sewerage, drainage, roadworks, water reticulation, underground services, land subdivisional works, pipelines, pumping stations, waste water and water treatment plants, civil concrete construction, soil remediation and trenchless technology.

The company is committed to ensuring that its products and services conform to the specified requirements and that all projects are completed to the client's satisfaction in the most professional and cost effective manner.

The goal is to maintain our reputation for quality work by the implementation and maintenance of a Quality Management System complying with AS/NZS ISO 9001:2015 Quality Management System Standard.

DM Civil strives to fulfil its responsibility and achieve its goal through:

- Compliance with and continual improvement of the Quality Management System;
- Identifying the requirements of clients;
- Engaging in consultation with clients to determine and assess current and future expectations;
- Establishing measurable objectives and targets to ensure continual improvement aimed at eliminating non-conformances with contract specifications or the Quality Management System;
- Developing, implementing and maintaining a quality management plan for each project;
- Getting the job done right first time;
- Taking direct responsibility for quality of product and standard of work;
- Identifying, reporting and implementing corrective actions for all non-conformances;
- Ensuring all employees are inducted into the Quality Management System.

DM Civil is committed to implementing Quality Management Systems in all its activities. DM Civil will encourage employees to display their own initiatives in improving quality in their workplace. The Quality Policy shall be reviewed every two years to ensure it remains relevant and current to DM Civil' activities.
